“ I am so saddened by the loss of a great man! My thoughts, prayers, & tears are shared with the family at this most somber time. I wish that I could be there to lend a shoulder to cry on, or a hug when needed. Ms Ellen & family, I wish you the peace of knowing that Mr Dan is in a heavenly state of being now. He is your new angel to watch over you all until you meet up again someday. Some might say that death is an ending, I believe its a beginning. A whole new start that has no pain, shame, regret or remorse. Please know that you all will continue to be in my thoughts & prayers. If I can be of any service do not hesitate to contact me.
