“ Life gets busy and you loose touch with old friends. Then something happens that makes you reflect on the importance of friendship. We think a lot of Danny and Julie, they are good friends. We know the family is going through some tough times right now, but we are praying for you and so are others. We all know where Danny is, and he is much happier. Now you have to find the strength to move on that is he would want. God bless all of you, draw close to Him in this time. -- Love Phillip and Tabby.
