ME

“ Please allow me to offer my condolences to the, Allred family with these healing words: No matter which member of a family dies, there is a great sense of loss. As one psychiatrist put it, “when your parent dies, you have lost your past. When your child dies, you have lost your future.” The Bible describes the future condition of humankind on earth by stating that God “will wipe out every tear from their eyes, and death will be no more, neither will mourning nor outcry nor pain be anymore. The former things have passed away.” (Revelation 21:4) Truly, the resurrection is something for us to look forward to with eager anticipation and joy. I am very sorry for your loss. May God's Word comfort you and your family. Sincerely, Meryl ~ healingwordsforu@gmail.com. For more information about God's Kingdom promises, please visit jw.org.

As days come and go my love for you lives on. It seems only yesterday that I had to say goodbye. They tell me in time it gets better but the crater in my heart only grows wider. I miss your smile, touch, and love. Our house feels so empty. I sit in your recliner to hold your presence. I await eagerly when I can come to you. People tell me I am strong but only you know the real me, and I miss that. I miss you and think of you daily. I love you now and always. Debbie
