“ Sending my deepest sympathy in the loss of Dan. He was always a good source of entertainment in the course of a work day. Never knew when a "Dan Deal" was going to change all the rules, but once he made one, it was sure to happen. A man of his word. I enjoyed years of working with him and our visits after retirement. May he rock Heaven as much as he did this world!

“ We were neighbors with Barbara and Danny 55 years ago. Attended church with them and loved them dearly. We never met a more friendly couple. Watched their boys grow up as our children did. They will both be missed at Teresita. Love and sympathy to the family ❤️🙏
