“ I met Danny when I was around 14 years old. Watching him skate around the skating rink, It was so infactuating. He was a really good skater. His blue eyes shined. He was the first guy I ever slow danced with and I was so embarrassed as I didn't know how to dance. He was a loving and caring person with a big heart. He is gonna be missed, I'll always have my memories with him. My prayers to his family. R.I.P my friend.
