“ I only knew Danny from my short time at National (1+ years). The one thing that sticks in my mind is I never remember a day that I didn't see Danny smiling. That smile will stay with me always. (Especially on a Monday after a Pay per view and we'd talk "rasslin") I know Danny now has a ring side seat for always. God Bless you, and your family in this tough time. Danny, you will always be remembered.

“ Enjoyed the day that Danny got to come up and Orval and him got to go fishing. It was so hot that day but he did get a good mess of fish. He sat on the deck and drank ice tea and enjoyed the day with friends. Will greatly be missed by all.

“ I remember the good times we all spent together as kids. It was great. Sorry as we moved away and as years passed by we lost touch, but you have all been on my mind often. Hearing of the loss of your Father was unbelievable. And now we are truly saddened to hear of your brother?s passing. Even though the years have distanced us, you have all remain in our thoughts as I am sure you brother will in yours. We will keep you in our prayers that God will be with you and help you all though these difficult times. God Bless,
