“ Danny always had a smile and kind greeting - no matter where you saw him. It is very apparent he loved life, and he dearly loved each one of you. What a joy to see the close relationship in the Metcalf Family! Rarely did we ever see one of you without another member of your immediate or extended family. The Metcalfs have been a true blessing to the communities in this area. May God bless each one of you and comfort you in His Time. You are in our prayers.

“ We just want you to know that we will miss Danny very much. Danny was a great friend to Don. Danny went out of his way many times to assist Don with things that he could not do alone. I enjoyed looking up things for Danny on my computer too. Life will just not be the same around here without Danny's voice, laugh, & his awesome love of life. We are really grateful for Danny's show of love to Valerie and their pets.

Thanks for the memories,

And now, his troubles are over. Ecclesiastes 9:5 & 10 are good to read at this time. All my love to his family, Rick.....
