“ This was a very sweet, kind lady. I have known her many years, our girls played together, stayed the night with each other many times. Prayers for the family, may God give you strength during this hard time.

“ I first met Darlene in college and Tracy had invited me to her church. At that time I was a little shy and I'm comfortable in new surroundings but Darlene had a warmth and inviting way about her, that seemed to melt away any fears I may have been having. She seemed to have an overwhelming desire to hear from God and a pure longing to do whatever it took to hear Him speak. Amore I got to know her the more I begin to see her longings and desires as a beautiful passion that she exuded within herself and the longer you were are around her it almost became contagious because you couldn't help but want to join her in spirit in praising God or and giving it to others. I first became friends with her daughter but in math she always had a way of making me feel like I was at home then her family. She will be missed greatly and my condolences to her entire family I Know that heaven gained a beautiful servant. I'm praying that you always find comfort in the spirit your mother possess and the strength to make it through this difficult time.

“ *As cousins we were as close as two cousin could be. We were more like sisters..Growing up I loved her dark hair and she loved my blonde hair. I remember us going to church she would let me wear her cloths. She was so kind.. We were only 5 months apart in age. We were born at the same Hospital with the same Doctor. Even though we now live thousands of miles away from each other we talked almost everyday on the phone and shared everything with each other. We prayed, cried and laughed together. She had the most beautiful spirit of anyone I have ever known. There will be forever a very empty place in my heart. I will miss her more then words could ever say. Until we meet again on the other side...I love you Darlene and will miss you.*

Love,

Belinda

“ Tracy & families---I am so sorry for your loss. May your memories & God's love bring you peace, comfort & strength at this difficult time. Death leaves a heartache no one can heal but LOVE leaves a memory no one can steal.

“ I will never forget the first time i meet her. She walked up to us and one of the brothers ask her who fixed her hair and she said i did. Well they all laughed at her and told her she had hair sticking straight up and her comment back to them was I think it is a pretty good job for a blind woman. Well needless to say she hooked my heart that day. I loved how she joked around. I will never forget the last time i took her out to what was suppose to have been just to pay her phone bill became a outing. We ended up going three difference places before getting lunch. I told her my favorite place to eat was Golden Corral and she said it is mine also but i eat to much when i go there. Well i do to but sometimes you just need it. Darlene you will be missed more than you can imagine.. You were a great sister in law, Friend and my best buddy.
