“ Darrel worked with us in the Parts Room at Simmons for only five weeks, but we felt we knew him longer. He was personable and left a lasting impression on us all. He was looking forward to retiring from this position and we were looking forward to working alongside him as well. He will be greatly missed and forever admired. With our deepest sympathy, Kathy Starkey, Dan Tremblay, Susan vonRee, Danny Davidson, Richard Bray, and all the members of the Maintenance Personnel..
