“ Darrell and Donna supported John when he coached at JBU and we enjoyed their friendship. He was known to us as “2 tire Darrell” because whenever he was asked if John needed a new tire—he would pause and say no, you need two! A godly kind man. Love to his family, Linda Sheehy

“ Mr. Darrell was one of the best men I've known. He was one of my dad's first friends when he and my mom moved here and started going to church. He has been a wonderful friend to my dad. He has helped my family out more times that I can count. He will be missed so much.

“ Darrell Lee Fletcher was awesome person for Siloam Springs, AR. Honest, friendly and loving. Over the years during his business days I observed that he worked diligently and hard at making sure each customer was pleased.

Darrell knew the Lord and the Lord was always present in our conversations and business experiences.

Siloam Springs lost an earthly angel but God just received one of his sons into his awaiting and loving arms. Darrell will be missed without a doubt.....just knowing him has left a very warm spot in my heart and my soul! Amen.....Darrell you are great man! Now even greater in the arms of Jesus' our Lord and Savior.

“ Darrell and Donna were the first friends me made when we moved to Siloam Springs in 1967. They have been TRUE friends over the past 50 years. They were ALWAYS-ALWAYS there to support us. Donna has been greatly missed the last 7 years and now Darrell will be greatly missed. But we know they are in heaven together again. Love and prayers to the family.

“ I always remember Darrell Lee being enjoyable to visit with at family events. He always seemed to have a big smile and good stories. My grandfather Norman was his second cousin and one time co-worker. My grandmother Pauline was his sister-in-law. I know Darrell was always willing to help others when he could and lived his life by the strong faith he was raised with.

“ I worked with “Fletch” at Marsh’s Racing Tires. He was such a sweet, kind and fun person. He adored his wife and kids and would often talk about “Donnie” and the girls . ❤️ God bless and comfort his family and friends. He will be greatly missed by everyone who knew him.

donna and Darrell were great neighbors many years ago. Saw the two girls grow up. We did business at Benton County Wheel for years. Both always had big smiles.
