“ Boys your parents were here but fro a short time. Today they walk together with your brother and there is no pain, no sickness only the love of God shining on them. I pray for your comfort in your loss. But also for the joy they have now together. One day we shall be with them then all will be complete again. Keep your memories always close at heart. But look to the day you'll rejoice with them again.  
Peace be with you
