“ Out of several memories I have of Newt one stands out the most for me. I was picking up Kirsten at Olathe South when I ran into him. We were talking about Lacie Taylor and Kirsten and laughing at all their shenanigans. Lacie would be graduating and Newt told me how proud he was of both his girls. I will never forget the look on his face when he spoke about them. May you rest in peace Newt you were well loved in life

“ You were there when they needed you the most.

You will be missed anywhere you go in Kansas, you left a memory, in your building, your laughter, your sportsmanship.

Rest in peace, your journey has just begun.
