“ Arlon was my hair dresser for many years. He was one of the nicest and most gentle natured people I have ever known. I am blessed that I had the chance to be part of his life. I know he enriched my life by being part of his. I am positive he is looking down from Heaven saying don't worry about me, I am ok now. He will be deeply and forever missed by all of the people who knew and loved him.

“ *Prayers for your family at this difficult time. Arlon was a good man a a very good friend to me. I will have memories of 33 years of working together. He was 18 or 19 and i was 20 when we started working together. And one of the best memories is when my parents crashed your parents 50th wedding anniversary celebration 😊.. I have to say he was the best styist i ever had the pleasure of working with and told him so many times. I will miss you my friend and know you are now pain free and basking in Gods glory!!*
