“ Buck was the life of the party where ever he went, he made sure you had a smile on your face. The last time my husband and I saw him, he told us how proud he was of us and that he loved our son Weston, like his nephew. We were proud of you too Buck 😊 We all joked about how tall he was compared to all of us. Codie & Buck & Dylan, & the rest hung out a lot in high school & Codie keeps telling Weston & I stories about Mrs. Swanks class, Buck was a big flirt... He also didn't take no for an answer from anyone, if he wanted to do something, he did it. No one stood in his way. He made sure he showed up to my sweet 16 and tell me happy birthday after my momma told him he wasn't aloud, haha. I'm gonna miss you stubborn... We all love you. Fly High Buckaroo ❤️ Prayers for the family 🙏

“ Buck was my son Dylans good friend and I met Buck through him. He was always larger than life, He would come over and we would grill meat. He helped me a few times around my house, my dog loved him too. He took my son and I out in his Mustang the last time I saw him and had lunch together at El Rancho. He always made me laugh. He was protective, kind, helpful. I loved him like he was one of my sons. Who will call me Rosanne and sing that silly song to me? I cannot get over he is gone, it's heartbreaking, I will miss him so much.
