Always wanting to teach everyone bowling, or teaching grandkids how to garden. He will be missed in so many ways. The smile, and warmness of his heart will be missed. “ I learned last year that David was a long, lost cousin. My sister and I met up with David, Sarah, Megan and Walter while they were passing through Northern California. What a great visit we all had! I am so grateful that I had this opportunity. David was happy...full of smiles. Loved meeting everyone. My heartfelt thoughts are with the Crile family.

“ Oh my goodness this came as a shock. I actually had to sit down. I have known the Crile family since oh my goodness probably as long as I have been alive. David would always hug me when I saw him and Miss Sarah, no matter where we were. Always had a kind word to say and was as onery as the day is long... probably as long as a couple of years long..... I have not seen him for a very long time but I couldn't help but smile and laugh when he was around. I am so very sorry for the family he was a turd but he was a good turd. Love Kimberly Frost (Hufford). I love you all!!!!

“ *My most very memorable memory of David my brother when we first met after 60 something years and met Sarah his sweet sweet wife and Megan , Karissa Nicole and the boys Jordan and Natte. Then when we would talk all the time on the computer every day about his bowling , garden and just anything and even joke back and forth. I will miss him terribly and I know the family will more. The family here in Louisians send prayers to the whole family and our love and support. Thank you all!*
