“ I will miss David's sharp mind and quick dry wit. You had to be on guard around him with anything you said because he could make a “crack” that many times left you speechless. Goodbye David From your cousin Jimmy.

My earliest memories of David are when he would babysit us when we were very young and living in Fort Smith. I remember him teaching me how to make grilled cheese sandwiches on one of those babysitting nights. In the last several years David was so nice to always remember my birthday and say such nice things about my pictures. I'm so glad I got to have a good long talk with him at Mamaw's party a couple years ago. Rest In Peace David.
