“ *Every day he would be sitting in his little room on his computer, and I would always make sure to say hi and I hoped he was having a good day. He always waved had a ready smile and told me he hoped the same for me. When my husband passed away he hugged me and told me things would be tough but they'd work themselves out!!! I will miss him and his smile so much and I'm so deeply sorry for ur loss*

“ *One day I was having problems with my machine. So I stopped at his table to ask if he could tell if I had a bad eye. There was someone sitting there he looked at me and said " Of all people you ask him about a bad eye?!?" I was so embarrassed! David set his spoon down didn't crack a smile (and I thought oh crap I have made him mad) and says well usually it goes off to one side. My face was beet red I laughed so hard! Then ir was game on!!! I even told him I was gonna slap him so hard his eye would straighten out he was like OK! I'm sure going to miss him!*

“ Charlene, James & family... I am so sorry for your loss. I worked with David for close to 20 years & he was such a nice guy..... always had a smile for you. May your memories & God's love bring you peace comfort & strength at this difficult time. Death leaves a heartache no one can heal but LOVE leaves a memory no one can steal.
