“ I worked with Travis for a number of years at Pulse. I had the upmost respect for him. He was a great asset to the Fire Department and to Siloam Springs. He was also my friend. I always enjoyed our visits, the last one not long before he left us. I know I can say nothing to ease your loss but know that he was a good friend and you will be in my prayers. May God help you through this terrible time and fill you with His blessings. I will miss my friend!!!
