“ I really believe he is up in heaven with his loved ones. He had so many bad things happen but he made it through. He reminds me of the song that says “when the roll is called up yonder I’ll be there.”
Prayers for the family.

“ I will always remember Uncle Dean as a very kind, loving person. He was always pulling pranks on me when I was a little girl. I loved his sense of humor, his kindness, and most of all his love. I always looked up to him as a second dad growing up. I will miss him dearly and wished I could have made it to see him again. One of the things I remember is he walked into the house one day and I was laying on the couch and he threw a turtle at me hoping to scare me. I looked up at him laughed and told him thank you. He was such a wonderful Uncle and always loved my time with him and Aunt Pat growing up. Was the best time growing up.
