“ Deanna you were my best friend since 3rd grade. We shared our thoughts and dreams of our future. I will always hold you dear in my heart. Even though we haven't stayed in touch, you will always be my best friend. You are missed my friend. I love you always.

“ Deanna, flipping through the photos posted here, I truly hope you knew how admired you were. Growing up with you, even if being a grade younger, I admired your grace. Truly sweet and full of grace. Hoped someday I would get to see you again, but that never happened. I will always cherish the memories of us cheering together. Sometimes it was only you and I standing on the side of the basketball court, but we tried our best. I know Heaven has gained a sweet soul. Many prayers for the family. Deanna, Rest In Peace my friend.

“ Deanna, we shared over 25 years of friendship and working together. There are so many memories that made us laugh, like the time we took the team out after work for drinks and dinner which I had you pick up the (large) tab. I said "don't worry about it, I'll approve it". Later you were called in by our boss who wanted to know if alcohol had been present? I had to go explain to our new boss (who we got through an acquisition) how we did things at Williams!

From launching and building up the Business TV / Video Conferencing business at Williams/Vyvx, to the Streaming Media business we started together, to Hibernia Media you were the most dedicated and hardest worker I have ever known. I always respected and admired you.

I watched you grow from a single working girl to a loving wife and proud mother of your twin boys. Glad to have shared part of your journey.

You were a loyal and true friend who will be dearly missed!

“ Deanna, thank you for being a breath of fresh air during our days at Williams. Working closely with you was such a blessing and you always had a positive thing to say to everyone! We laughed, we cried, and we loved making our work, be the beacon of excellence..... You kept me out of much trouble, reminding me that "beating the crap out of some of our leadership, probably was not a good idea, although you wanted in if I did!" :)

We will see you again and your spirit of love rests with us all! We are forever changed because you were a part of our lives and I am thankful! Thank you for pouring yourself into us! We are all better people because you are Deanna Mae Holder!!!!!!

To the Holder & Gregory family - prayers to you all. Deanna was such a bright light to this world. I barely worked with her for a year, but it felt like a lifetime. May all of your fond memories bring you comfort during this time. Rest well Deanna - until we meet again! Love Mary Taylor
