“ *My Condolences to Archie, her sons, siblings & other family members for the loss of a very dear person who has touched so many lives.*

I was sadden to hear the news about my cousin yesterday evening but being in the medical field I know she is in no more pain and is with her parents, grandparents and many others family members who we all have missed she is looking down on of us and she is still giving everyone the strength to make it through this time of sadness.

I will remember all the small talk we have had through these past few years sharing stories, talking about our families but one thing I can truly say is she always made me smile hearing from her, I like each of you will miss her dearly be strong for each other God Bless everyone I wish I could make this trip.

PS. This is a note for Debbie as I know she is reading this please tell my dad(your uncle Dan) I think of him all the time and that we love him and miss him dearly along with Grandma Tobey, Uncle Charlie, Uncle Bob, Uncle Jerry, Aunt Glenda, and many others Debbie enjoy this reunion with everyone. We love and miss you already
