“Dee and I grew up together, lived across the street from each other and were best friends. Our moms were best friends too. We had fun times growing up and our older brothers teased us a lot. God bless you Dee, you will be truly missed. —Deb Shoffner

“Dee was one of the sweetest persons I have ever met. She was also one of the strongest persons I ever met. You endured so much, yet, you always had a sweet smile on your face. You were such an inspiration. You touched so many lives and it was such a blessing to call you friend.

“Dee and I were cousins....when we were young we spent lots of time together along with her brothers and sister. We went to the movies to see American Graffiti, laughed and cried in some of the parts. I enjoyed seeing her at our family reunions....I am going to miss her so much. Condolences to the family.
