“ I worked with Deloyd at DaySpring Cards for many years. He was a kind and sweet man who will be missed by all who had the privilege of knowing him. Cleaning off the snow from vehicles is just the sort of thing he would do. I am sorry for the family's loss and will pray for God to grant them peace.

“ Deloyd was such a kind man! I worked with him at Dayspring and I can remember one year when I worked second shift, it snowed and we were all going to go home early and he went outside to clean the snow off of our vehicles. My prayers go out to the family!

“ I loved working with Deloyd at DaySpring. I'm the person he called when he had computer or printer issues. He always had a joke for me. Such a sweet, kind man. He always made me smile - even just hearing his voice. I'm so sorry for your loss.

“ I am so sorry to hear of Deloyd's passing. He was a very sweet man. I worked with him at DaySpring and have very good memories of him. I don't know if he treated all children this way, but he always had a surprise for my daughter every time I had her at work. It might have been a marble, a ceramic ball, a magic trick or a book, but we have a collection of trinkets from Mr. Deloyd. He will be missed. I will keep you in my prayers.
