“ I just wanted to extend my sympathy to Dennis's family. I I didn't know Him real well, but did remember Him and His family. We all went to the same school, and he was younger than me. God Bless!

“ He was a very sweet guy and cared about people, and had away to make you laugh when you were down. He will always have a place in my heart.

“ *String is my oldest and dearest friend, I am heartbroken that he has now passed. I will miss him more than anyone could ever imagine. Being able to spend November 2006 with him was one of the best gifts anyone could have as well as my last memory of us. We were able to talk and share like we did years ago. I will miss our yearly birthday calls and our online IMs. He is a wonderful soul & knowing him helped to make me a better person.*

God be with all of you who read this. I know it is a hard time. I wish I could be there but being so far away makes it hard being so soon after his passing. Just know I would be there if I could and will be there in spirit.

I Love You Dennis "String" and you have always known that you were my best friend & this will be the time to say the words we never said....."Good Bye" my Friend I will miss you.

“ *String, may you rest in peace. May you use the legs God gave you but that failed, may you use the mind that run a hundred miles an hour and let your body keep up. May you smile and laugh. May you know privacy, and love. May you feel needed and missed. You were my brother. I love you and miss you. You just have no idea. May you be happier now than ever.*

Many of us are crying - but know that it was because of the happiness you gave.
