“ Donna. I am Bill Petty's wife, Avonne. Bill thought so much of Don. He tried several times in Nov. and Dec. To call him but never got through. Bill and I both got Covid right before Christmas. He went to hospital Dec. 31 and was put on a ventilator. He put up a good fight but passed away Jan 24. I was trying to find another phone number for Don and discovered his obituary. So sorry. We loved both of your parents. They are up there telling tales and talking about old times.

“ I didn't know of Don's passing till now and I'm truly sorry for not showing my respect sooner. Don and Sarah were both active in the senior center at Siloam. I got to know them through the gospel singing on Tuesday mornings. One of Don's songs he requested from me was Lord I Can't Even Walk Without You Holding My Hand . RIP Don

“ Our sincere condolences to Donna and all of the family. Don will be missed by all that knew him. Don used to tell a story about when I was born. When my dad came back to the cotton gin to let everyone know they'd had another baby boy someone said Mr. Benton if you have one more you'll have enough for a basketball team. My Dad's reply was they're going to have to come up with a game that only 4 can play. Don used to laugh and tell that story. Oh how my family loved Don and Sarah Mann. I can see them visiting in heaven!
