“ Although we didn't spend a lot of quantity time with Donita, we certainly had quality time growing up together. So many laughs in the attic of the Harrs' house and great times in Oxnard. I can still hear her call olives "alives," something she loved. Much love to your family as you mourn her passing.

We are so very sorry for your loss. It was always a great time to see you all at Mamaw's. Donita did always seem so happy as a child-I am glad she still carried that and pray that you can all share your many good memories.

Brenda I was privileged to have met your sister. I didn't know her well but know she was fortunate to have a sister who cared and was always there for her. God bless you all during this time. Love from Ileen.

*I will miss my cousin. I haven't seen her in a while but she was a special person. Her laughter was contagious and she always seemed happy even given her circumstances.
I love you and glad you are at peace now. My prayers and thoughts are with her family.*
