“ *Jan, I did not know your mother - but I do know you (and she was a
neice to my good friend Nadine Caughman). I want to take this time
to tell you how sorry I am you have lost your mother.*

*After talking to you the other day and you assuring me she was in
much better place and in no pain. That was a comfort and I know
that is what is keeping you going.*

*When you loose your parents its just a void that will never be filled
again. But, your faith in God will help bring you through it and help
you the rest of the years.*

God Bless You and your family,
