“ *She was and still is a wonderful Sister. this is a temporary separation, and soon we'll all be together again. As my Pastor says, "She's not just in our past, She is in our future too." Heaven is more real than this earth we live on, and we'll have a lot more good times there. Love you Sis, be there soon.*

May God bless you and Delores, all families and Donna's children. I know it had been years since I saw Donna but I loved her and will always cherish the memories of us all growing up together back then. I'll always remeber Donna's sense of humor and gentle spirit. I miss those days. No matter what, we and our siblings will always be double first cousins. May God be with us all.
