When I was about 12 years old, this wonderful woman jumped into a whirlpool in Flint creek to save me from drowning. She was so kind and loving! I owe her so much. I'll love you, forever, Donna Jane! To the family, my deepest sympathies and I will be praying for you all.

“ Whether it was Nadine or Donna Jane, you knew you could stop on that curve and capture some love of home. I was sad when I heard the store sold but happy she could enjoy the fruits of her labor. We plan and God laughs! She was needed to be with her boys. That's all I can imagine why this has happened! I'm saddened I won't hear her voice again, there was none like it. I'd stop Everytime I drove by, just to buy a Dr Pepper or a pack of gum, even if I already had both! She's one of those that you don't expect to not be on this Earth always! To her children, my cousins, I can't imagine the pain you're in, but in sure it's cushioned some by the vision of Kelby and Kent in her arms, finally after almost 40 years since losing Kelby and even longer since losing the baby. That's a comforting thought. May God surround you Kim and Karen, and your kids, in a bubble of His love and peace, that only He can give. If there were magic words to make the pain lessen, surely all of us would race to you to say them, but there's not. I can tell you that you're loved, she was loved and we're praying for your heart's to mend with time. ❤️

“ I’ve spent at least 25 of my 31 years on this earth eating at her store. Every single day I went in there she never failed to have a smile and listen to whatever news I had to share about my family. Donna was one of the kindest people I ever knew and she will be missed by many many people.
