“ *Sweet DP, the world seems a little less vibrant knowing you are no longer with us. The news of your illness and passing shook me hard! I still can't believe it. I'm so grateful we reconnected the past year and I got to enjoy your vivacious spirit and quick wit all over again. Though you had endured many hardships in the time between, you were exactly the same fun-loving, spirit-filled firecracker you had always been. What a natural-born storyteller, people connector, and observer of life. Your faith, however, was always your most outstanding virtue, and it inspired many—especially a younger generation of coworkers who gravitated toward an example like you. Thank you for being a gift in my life (and in my inbox... wink-wink). Rest in everlasting joy, until we meet again, gal... ❤️*

“ If it weren't for my Aunt Donna I wouldn't have been baptized at a young age. She took me to church and taught me about God when no one else did. I will always be grateful. I loved her so much. I'm grateful I got to know her.

“ One of my memories of Donna was her teaching me how to wall paper, she was always good at that stuff ! We did our bathroom, and there is no way i could have done it without her! Donna was a beautiful person inside and out. She loved her children and Grandchildren and she loved the Lord! She was like a second Mom to my kids and we shared many holidays together as well as events with our children. I loved her very much! And was always grateful for her help with my kids! Rest in peace sweet Donna!!

“ Miss Donna,  
You were such a light for Jesus in this world! You were a wonderful friend - so joyful, quick witted and full of faith. Thank you for always being ready to pray for your friends. Your prayers for me were the greatest gift. I am so sorry we didn't get together for a visit in recent years, but I'm thankful we got back in touch. You know I love you and I am comforted and thrilled by the thought of you standing with your precious Savior this very moment..and for eternity. I am also comforted knowing I will see you again one day soon! Thank you, Lord, for the blessing and life testimony of Donna Powers!  
Friends are friends forever, if the Lord's the Lord of them.
