“ Dear, dear Gladys - I have thought of you and Don every day since you moved away from Polson. over my sink hangs a beautiful stone clock you gave me at Christmas when we both worked for Jim Willis at Big Sky Dental. You ran a tight ship for all of us with love and smile. Such a smart lady to marry Don and make him the happiest man on Earth. His kind and cheerful attitude came with him everywhere! i bought a beautiful set of knives through Don 25 years ago and use them every day, thinking of him and praying for you both. The Polson paper shared details I never knew..... especially how much family you were able to enjoy all these years. Your great faith has helped you weather the storms of life. I know you will cover the intense loneliness of loss, with your smile and deep faith in Jesus Christ. If you ever want to visit MT memories, call me on the same home phone as ever. We are well.
