“ Grandma, I met you the first time at John's Funeral. You took Jonathan right out of my arms and never let him go. You loved him beyond measurers. You took me in as one of your own from that very moment. We went through so much together over the years. You always showed me that loving your family was important. You always answered the phone and let me cry or laugh. You always showed unconditional love to Jonathan and I. I will forever be Grateful for your loving relationship. I will see you again one sweet day MY SWEET SWEET GRANDMA
