“ Doris was a very sweet lady. We have enjoyed knowing her for the last 10 years. She will be missed. I know she is with her heavenly father at pease.

“ Doris, We will miss you so much. I am so sorry we didn't get back to see you more often than we did.  
I know you are in a much better place now. Hey, Now you can chase the rabbit instead of just watching!! Smile. By the way thanks to the bottle things you gave me my plants are still alive. I will miss our long talks so much.  
We love you and will miss your great big hugs.

“ I will always remember her sweet smile, warm hugs and the smell of food cooking when we would come to her house. I'm thankful for the special Thanksgiving we spent together not too long ago. I had made a sugar free pumpkin pie where she could have dessert. I am grateful for the time I was able to share with her at Circle of Life as well. You kids remember she isn't hurting anymore and she always loved you.
