“ Mrs. Mitchell was my third grade teacher in 1979. She's one of the teachers you remember for her kindness and firm encouragement to do your best.

Thank you for sharing your mother with us (her many students)!

“ Mrs. Mitchell was my teacher for the second & third grades. Her kindness, love, understanding for all of "her children " came through in all of her actions. She encouraged us to use our imaginations for learning & to learn in all we did. I can still see her telling us goodbye at the end of the day, special words for each set of ears, a hug for her girls & a pat on the bottom for the boys.

Mike, she was one in ten million. God be with you & your family.
