“ *I was so sad to hear about Mrs. Barnes passing. I always thought so much of her. I use to work at IGA (where she bought her groceries) and I was always so excited when she came in. I loved talking to her because she had the most wonderful personality and she always cared so much. It also really meant a lot to me that she attended my wedding last summer. I'm really going to miss her and her family is in my prayers.*

“ Your mother was such a remarkable person. I never spoke with her that we didn't both burst out in laughter usually about ourselves. She was full of wisdom concerning life's lessons.
