“*Sorry for the delay in sending our most sincere condolences to the family and friends of Dorothy Conley; we just heard of her passing today. She'd lived around the corner from us and until her knee gave her too much trouble, it was very inspiring to see her walking by every single day regardless of the weather. We became concerned when she didn't walk by, so visited her to find she'd had knee surgery & could no longer go walking. After that we kept in touch, and it was our privilege to know her. She was a true lady, and will be missed.*
