“ I am so sorry I didn't find Dorothy before she passed away. I lived by her until she was 15. Her mother and daddy and brother Bob were wonderful people. Lake Methodist Church would never have been the same without Frances playing the piano like she did. Wonderful Wonderful Memories. Neighbors who grew up in Lake Station are writing a book about the people who grew up together and for sure The Raines Family will be in it.

“ Aunt Dorothy was and always will be my favorite aunt. She was the sweetest and kindest person I have known. When Thanksgiving and Christmas come around I always think of those holidays we spent together in Louisiana and Oklahoma. She was always so very proud of my music accomplishments and was praying for me to be happy in my work. I will miss the "love you" at the end of every phone conversation.

In my band rehearsal on Friday I kept looking up at the clock for the time of her funeral wishing I could have been there. It just wasn't meant to be.

She always made me feel special everytime we were together. I will miss everything about her.

“ Mrs. Hawkins was a kind and wonderful woman. She was always smiling and could always make you laugh. I know she loved her family dearly. She will be missed by all who knew and loved her. My prayers are with the family. Take comfort that she is smiling down on her family and will be in your hearts always.

“ Momo was an amazing woman of God. Even when she was sick in the hospital, she was praying for Jeremy's exams and for Brook to find a job closer to Raleigh. Her love and compassion for others radiated at all times. While our hearts are aching, we take comfort in knowing we will be with her again. In the meanwhile, we will strive to be more like Momo and reflect God's love to those we connect with in our daily lives. Momo we love and miss you!!
