“ I remember several very good times at your mother's house. (I know several who read this will know her as a grandmother or great grandmother) As typical of all the family from the mountains, she welcomed everyone and treated them as an honored guest while they were in her home. I have very good memories of Her.

“ I remember the gracious hospitality extended to me and my family when we had the opportunity to visit with your family years ago when Frankie, Jerry, and Tim were all students at U of A. Dorothy had a way of making one feel so very welcome in her home. I am so sorry to hear of your loss. I know that Dorothy will be missed by many. My prayers are with you all.
