“ Dorothy was such a wonderful, strong christian lady! She has been such an inspiration to our family. She taught me in GA's for years and then cared for our children in the nursery at church. She was a prayer partner for me during my long illness. She will be missed!

“ Aunt Dorothy was a great lady. I remember spending time with her during the summer when I was a child. She always had a smile and a pleasant word for everyone. I also remember that she and my Mother took lots of trips together and had a good time.

We did not see each other much in the last few years but in my mind I felt she would be here forever and she will in my memories.

Kathy you and your family are in my prayers. As I did when I lost my Mother just take one day at a time and remember they are both in heaven now catching up on all the news. Love

“ Over the years as I met new people they all eventually heard the stories of my rides to church with Mrs. Stump and her farm pick-up. Mrs. Stump was very kind to a little neighbor girl.

“ So sorry to hear about the loss of your mother. Dorothy was a very good friend of mine for many years. We even became closer after I moved to Gentry and became a member of First Baptist Church, Gentry. She was a prayer warrier praying for anyone calling and needing prayer, but we will see her again!!

Take care, Kathy, I'll keep you in my prayers. May God bless all of you.

“ Even though we knew Dorothy only a short time we enjoyed our brief meetings with her at the Homestyle Assisted Living Center. I know you will miss her tremendously but you know, we are lucky, in that as Christians we are promised that we can spend eternity with our loved ones. Our prayers are with you

“ *Robyn and Family:*
My thoughts and prayers are with you. I lost my grandmother in 2005, and she was the light of my life. It is a relief to know that she had such a great life and is now in peace. I am sure that is true for your Dorothy also, and I can tell that Robyn loved her immensely.

“ I can truly say Ms. Dorothy is one of the women I have admired most in my life. I consider her a mentor and a beloved friend. I loved working in the two year nursery with her for many years and learned many life lessons. She will always be considered a prayer warrior to me. I know she personally prayed for my family for many years and was able to see the answers to her prayers. I will miss Ms. Dorothy but I will see her again someday in heaven.
