“ I am so grateful to have known this Amazing Woman of God, if it had not been for her Love, Kindness and Compassion I wouldn't be here, With her great capacity for Love she brought me into her home and showed me what it truly was to be apart of a family, and with her continued kindness and patience she put up with my nonsense growing up, with Kim we gave her a bit of a hard time here n there to say the least but she just set us straight, maybe wanted to paddle us a bit but loved us unconditionally. I owe so much to her and Poppa for who I am today, the best of me that is, and I gave that best to our children and raised them to know and love God as I was shown. Working next to Sister Morris could be exhausting, she surely was a dynamo and if it meant cleaning, packing, moving, cooking and More...I loved being with her. In her kitchen, my favorite was her tacos and I make them that way to this day. There are not enough words to say all she has meant to me, thank you all for sharing her with me it was a blessing beyond measure to know her, to be loved by her, and to spend time with her. My Mentor ❤️

“ Dear Jerry, Philip and Doug: my thoughts and prayers will be with you as you lay your beautiful wife and mother to rest. It has been my honor and pleasure to have been friends with the Morris family for more years than I can count! I love each of you very much, and as I said earlier, you will be in my thoughts and prayers. Until we all meet again with our loved ones that have gone on ahead of us, please know that you are loved!!

“ *I always believed that if you looked up the definition of Granny in the dictionary you would find a picture of mine. She was everything you could ever want in a grandma. She would let the grandkids move the furniture to do gymnastics, took us for countless hours to the roller skating rink, year after year at horse camp, the list could go on and on. One thing that can not go without mention is her biscuits and gravy, simply the best ever!*

*There was a serious side to her also. This little woman could put the fear of God in you like no one. She was strong in her faith and love for The Lord. It's because of this we know we will be with her again. I'm so blessed to have had a picture perfect Granny Goose to influence me all these years.*
