“ Dear Julie and Logan,

Our hearts are heavy as we find it difficult to grasp such an unexpected loss. Doug was a great friend and neighbor. We always found time to talk, especially during the hay season. He was always friendly and ready to lend a hand if needed. He will certainly be missed. Know that we are here for you if there is anything you need. Praying for you.

“ In our lifetimes we will have many acquaintances, many co-workers, many casual friends. I believe it costs more than most are willing or even able to give to have very many close friends. God blessed me so much more than I could ever deserve by letting me be close to Doug and Travis. Lord forgive us for being hurt by Your calling them home. Julie, Logan, Ashley, Wyatt, Jim and Lorene, Brad and Denise, If these two fine young men could send us all a message I know it would be something like "Redeem the time, make a difference while you can, you'll be here sooner than you think." My focus on what is really important has been changed! May God grant you the peace that He promises.

“ Dear Martin Family,
I just want you all to know how proud we have been to have Doug in the Multi-Craft family. Doug was always a positive example to those that were fortunate enough to work on his projects. It is so difficult for all of us that knew him, respected him, and valued his skills and friendship, to understand why his time on earth was so short, but our loss pales in comparison to yours. May God bless you and comfort you in this difficult time.

“*Julie and Logan-I pray for comfort and strength that only God can provide. This is our temporary home and it only makes heaven that more exciting to think of seeing our loved ones again. I can picture Doug and my dad doing some kind of farm work in heaven together-wearing their crowns or as Mr. Rogers said, their Stetson cowboy hats. Doug was a great man and will be missed. I will miss seeing him and Taz driving around town. Love and prayers!*
