Doug will always be fondly remembered for his smile and cheerfulness. When I visited America the first time in 1995, he was the first person to meet me and took me for a meal in Siloam Springs! He has been a great friend! May God comfort the family in this time of loss. We know that Doug is smiling in heaven waiting for the great reunion with all the people he loved!

A memory of Doug I will never forget is when my dad was in the hospital with cancer dying. His favorite song was "I thank God for the Lighthouse" and he wanted to hear Kristie sing it and wanted to hear Meagan singing to him so Doug recorded a tape with them both singing songs to their papaw. It arrived about a week and a half before my daddy died and he listened to that tape every day.... This meant the world to me and my dad. I still have the tape. Thank you Doug for your kindness and compassion and for being a good son-in-law for alot of years. May you Rest In Peace. Prayers going to all of the family.

I will miss Doug. I worked with him at DaySpring and also attended Church at Harvard with Doug. He was a big part of Siloam Springs. I also enjoyed his dry sense of humor. He always had a funny way at looking at things. I am so comforted to know that he did have a relationship with our Lord. We will see you soon Doug.
