“ When me and my brother were younger, our Papa (Dougs Uncle Gerald) would take us over to visit and we would go pick apples from his trees. Other times he'd take us for a ride on his tractor where we'd sit in the bucket on the front. He was a great person to be around and always had a smile on his face. He never had a mean word to say about anyone and was just a joy to be around. I'll miss you and your honking whenever you'd see me in town.

For many years, Doug has been one of Al and I's closest friends. He was always so fun to be around, so dependable and loved Karen and his girls and their families to the moon. He was a good man. We'll miss him terribly.
