“ *Jess,*

*I told Sylvia that I have had a feeling like I should do something for you for days and there is nothing I can do to take away your pain. I was at your desk the other day and I was looking at your pictures. What an amazing family! You should be so proud. Elizabeth is such a beautiful, smart girl and you and Doyle get all the credit for that. I never had the honor of meeting Doyle, but I know from everything you said about him he was very much a great husband, father, and person. I am so sorry for your loss and I am thinking of you.*

“ *No words can express, no tears can wash away, the void that is left today. But time will heal and memories will take over. We love you guys. Doyle was an awesome man of integrity. The love for his family showed in all that he did. He is rejoicing in heaven with family and friends that were waiting to greet him. And he will be there waiting for us. May God wrap his arms around your family during this time of sorrow. We love you and he will be greatly missed.*

“ I was saddened to hear of Doyal's passing. My thoughts and prayers are with you in your time of sorrow.

*Feel no guilt in laughter, he knows how much you care  
Feel no sorrow in a smile that he's not here to share  
You cannot grieve forever, he would not want you to  
He'd hope that you can carry on, the way you always do  
So talk about the good times and the ways you showed you cared  
The days you spent together, all the happiness you shared  
Let memories surround you.*

*A word someone may say  
Will suddenly recapture a time, an hour, a day  
That brings him back as clearly as though he were still here  
And fills you with the feelings that he is always near  
For if you keep these moments, you will never be apart  
And he will live forever locked safe within your heart*

“ Jess--

*If I only had a magic wand to take it all away for you and Elizabeth, I would. There are never any words that can make it better. Nothing anyone can do or say. But you are a beautiful person, mother, aunt, and friend. God uses you daily to do what he has called us to do more than anything else in life and that is to love. You have an amazing gift to love others without prejudice.*

*All I can think of is how I pretended to gag everytime Doyle sent you a mushy, gushy text message or e-mail and how you would beam with pride, joy, and love. So many people go through life and never experience true love--you are not one of those people. Doyle loved and worshiped you and I know you did him. Those memories will be something that will never be taken from you.*

*I admire you and Doyle for how you have raised Elizabeth. It is evident that she is an amazing young woman because of the love you both poured in her. The times she shared with Doyle will stay in her heart and carry her through her life as she transitions from teenage life into adulthood.*

*You are both amazing women and God's purpose, although unknown, is grander than we are and I know he plans to use you for great things.*

*All my love and prayers.*
