“ *My thoughts and prayers are for the family left behind. I am sure we all share your joy that he has passed on tho glory, free from pain and tears.*

What a glorious crown he must have. I remember him as president of Midwest Bible College, where I attended in 1960. I also worked for the Bereans during my student years.

Those were the years with Dr. May and Dr. Elmer towns were on faculty. Dr. Walter Wilson spoke at chapel on several occasions.

Another one of the spiritual giants has entered glory. What a rich heritage he has left to you as his family, and to the resto of us, as extended family. Thank-you for sharing him with us.

“ *President Andrus (as I always called him) was a man I loved and respected. He was the President of Calvary Bible College in KC where I attended many years ago. I always remember him as that man with the BIG smile, waving across the "Sunkin' Garden" to me. When I think of him, I think of the word "NICE," "WARM," "FRIENDLY!" I only have good memories of him. He was a godly man. He loved the Lord and lived a life that testified to that. I'm so glad he was my "President." He's with the Lord now, but someday I'll see that smile again. My prayers are with his dear wife, Mary, and family. My husband and I both feel the same way about him. God's grace is sufficient even at this time for his dear family. We love you all!!!*

“ I very much appreciated my time on the Calvary faculty under Dr. Andrus from 1970 to 1973. He was a good and faithful man during long years of service, and with the blessing of a fine wife and family. Being able to read the Andrus Family tribute above was a blessing. Life is brief and death certain. How good to be one who will hear those words from above, "Well done, good and faithful servant."

“ I can never forget the great influence Dr. Roger Andrus had on my life. As a student at Midwest Bible and Missionary Institute in St. Louis, Missouri, he was my favorite teacher. I learned so much from him about Bible doctrine and about applying biblical truths to my life. I will always be grateful for his patience in answering questions and his skill in explaining hard-to-understand subjects. Later, I served as Dr. Andrus' secretary at Midwest Bible and Missionary Institute, Midwest Bible College, and Calvary Bible College--for a period of about ten years. He was a great boss! He liked to call me "boss gal" but we all knew who the real boss was. He was always kind, patient, understanding, helpful, a gracious, godly man. My loving sympathy goes out to Mrs. Andrus and all of the family. You are all very special to me! Keep looking up!

“ Dear Mrs. Andrus and family,

I extend my condolences for the loss of your dear husband and father and pray that you will feel the tender love of our Heavenly Father in this time of sorrow.

It is interesting that I have known of your family all of my life as Dr. Andrus was my dad's professor at Midwest Bible & Missionary Institute in St. Louis. My dad always spoke highly of Dr. & Mrs. Andrus and when I had the opportunity to know him as president of Calvary, I understood why. I remember him striding down the halls with a wonderful smile and kind words. Occasionally, he would sit on the next stool at the student snack shop and visit with me for a while. Asking about my folks and how things were going. He was always very encouraging and kind.

A few years ago we were visiting my dad in Siloam and Dr. and Mrs. Andrus stopped by to see us as they were on their Sunday afternoon walk. We had a sweet visit with them and were very touched that they had come by to say hello.

I will always be grateful for the opportunity to know Dr. Andrus in this small way which made a big impact on me.

With love and respect,

“ *Dr Andrus was always so warm and friendly. He always had a big smile as he greeted me. As I read the families tribute of their dad, I had to agree that I never heard a negative word from his mouth. He was always so positive, humble and kind. I look forward to seeing him again some day and know that he again will greet me warmly, this time in heaven. Praise God for Dr Roger Andrus!* ”

“ *"Precious in the sight of the Lord is the death of His saints." Ps. 116:15* ”

We send our prayers for your family during this season of grief ... although you don't grieve as those who have no hope. We share a similar time of sorrow in that 25 years ago on December 13th, Bob's mother died of cancer. As you think about Heaven ... and that great song: "I'll be Home For Christmas ...", it's true, isn't it? What a hope we have of a wonderful reunion with our loved ones. I have fond memories of President Andrus & His godly leadership. May the Prince of Peace give you His peace this Christmas morning. Our love across the miles.

“ We extend our sympathy to Mary, Mike, Joel and all the family. I first met Dr. Andrus when I was a high school sophomore and he was my counsellor for a week at Grindstone Lake Bible Camp in Hinkley, Minnesota. I was kind of a smart Alec and said, "I just may go to your college someday." I did and managed to stretch a 4 year course into 6 years (1953-1959) as the school went from Midwest Bible and Missionary Institute to Midwest Bible College. Brother Andrus taught many of my classes but the one I remember best was the Doctrine Classes. He was a great teacher and mentor. He was also on my ordination council. We'll meet again in Heaven. Wow, won't that be great!! God Bless and keep you all.

“ What a privilege to know the Andrus family. We appreciated Roger's teaching of the Word, even though his classes weren't always easy. The children were a blessing as they were involved in Hi-C Bible clubs. In more recent years, we have had occasion to have fellowship with Roger and Mary and have also seen Anna and Dave. What a blessing to have your husband/dad for so many years! We know he will be missed greatly, but what assurance to know that you will be reunited some day! May the Lord give you the strength and comfort you need in the days ahead.

“ We want to express our sorrow for the family in the loss of this loved one, but our joy that Dr. Andrus is at home with his Lord for eternity. It was our pleasure to serve at CBC when Dr. Andrus was president. We recall his kindness and gracious manner as we tried to acclimate to the world of higher education after 15 years in radio and journalism. Above all, we treasure the remembrance of his desire to see KLJC go on the air as a ministry to the community and a means of training students for Christian broadcasting. Its ministry today and CBC alumni broadcasters stand as a tribute to his dedication to the concept.

“ I will always have fond memories of the days at Calvary when Dr. Andrus was the president. My mom and dad, Justin and Janet Dix were on staff there, and my brother Justin (Rusty) was a student. I appreciated Dr. Andrus' leadership during those years, helping Calvary to some of it's most blessed years. I began in the fall of 1973, so I didn't get to experience his leadership as president personally, but we all benefited, as Calvary was a wonderful place of which to be part, thanks to the Lord's blessings during Dr. Andrus' years. Our prayers are with you, and know God will give grace in the days ahead. God Bless You!

“ My wife and I are sorry to hear of the loss of Roger Andrus. Indirectly, we have benefited from his ministry at Calvary Bible College (CBC) in that his son, Dr. Mike Andrus, was our pastor in Wichita, Ks in the late 1970's to early 80's and our current pastor is a graduate of CBC. I don't think we would be where we are in our journey with the Lord if it had not been the influence of CBC. Thank you.

“ I did not know Dr. Andrus, but we got to know David Andrus' family while in Siloam Springs for nearly 10 years.

I just wanted to express our condolences to the family. This past week was 2 years since my dad passed away. It is so wonderful to see the legacy your father left, literally to the world.

God bless you and your family during this time and this Christmas season!

“ The first time I met Dr. Andrus was in the library of the 39th Street campus of Calvary Bible College. He was all sweaty wearing jeans and sneakers and helping move a load of books. The college had asked new and returning student if they could come early to help the college make the final steps in the move. It was a great introduction. I always felt I could sit down and talk with him about issues in life as well as college life. I will always be grateful for the foundation that CBC gave me in my formal years of higher education for the years of ministry God has given me. My own father, Glen Lehman, went to be with the Lord on May 13th...I am certain that Dr. Andrus and Dad are rejoicing together in the presence of their Savior. May the God of all comfort strengthen and direct you in the days ahead.

“ How we enjoyed the visits with you when we came to visit our daughter at JBU! The times of fellowship together were truly sweet. We appreciate so much what you have meant to Vernon's parents through the years as they went to school at Midwest and Corrine was his secretary. Dr Andrus' wisdom and guidance in their lives was truly valued. We knew that you not only prayed for them but also for us and our children. We thank God for the example you were as a couple of love and respect. We pray that God will comfort each of you during this time. We know the mixture of pain for ourselves and the joy for our loved one who is rejoicing in the presence of our Lord. Mom is there too! Our love to the Andrus family. May your memories of your loved one's life and the assurance we have in Christ be your great consolation and cause for rejoicing.

“ To whom it may concern,

My father, the late Rev. Arthur Giles, was the pastor of the Mora, Minnesota Presbyterian Church in the early '30s. He invited a speaker to hold a series of meetings and the only one to accept Christ that week was a small boy by the name of Roger Andrus.

Dad was thrilled with the life of Dr. Andrus, and repeated the above to me several times. He also said that Mary, Roger's wife, was also my baby sitter at times. Her name was not Andrus then.

I'm sorry I learned of his passing so late.

“ Dr. Andrus became president of Midwest while I was a student there from 1955 - 1958.

I had him for several Theology classes. He was also pastor at Old Orchard Chapel part of that time, which I attended.

Without question, Dr. Andrus taught me to read, think, question and comprehend more than any other person who has ever been a teacher of mine.

A GREAT man of God, with a wonderful family, that have been my friends for many years.

I am glad Dr. Andrus has now gone to receive a rich reward.

Will look forward to seeing him again.

“ A TRIBUTE TO MY FATHER

Dr. Roger J. Andrus was born on October 17, 1915 and died on December 13, 2006. He and my mother celebrated their 67th wedding anniversary one week earlier. My dad was over 91 years old, which seems like a miracle since he nearly died of a heart attack thirty-three years ago. He had bypass surgery twice, endured countless seizures over the past ten years, broke his hip last summer, and recently broke several ribs, puncturing a lung and leading to his final hospitalization. We teased him about being the Energizer Bunny. He just kept going and going and going (yes, he had an enlarged prostate, too).

My dad has taught me more than anyone else I know about seeking first God's kingdom and righteousness. The family I grew up in was very poor financially. I was born in a housing project in Dallas during World War II while my dad was in seminary at Dallas Theological Seminary. The third of five children, I was two years of age when we moved to St. Louis, and for five years we lived in a small flat in the 4000 block of Washington, area often called the armpit of St. Louis. We lived in rental houses or parsonages throughout all my years at home, and even though we were surprised with a lovely parsonage on a private street in Clayton during my highschool years, we were without doubt the poorest people in that upscale neighborhood.

While my folks never had much money, they were a wonderful example of godly contentment. Dad pastored three churches and served on the faculty and administration of Calvary Bible College for 28 years. He and Mom gave much more than a tithe every year, took in missionaries, and generally focused their entire lives on serving God and others. I never heard my folks worry about their savings (it's hard to worry about something you don't have) or turn anyone away because they had nothing to give.

When my father finally retired after nearly 50 years of ministry, his net worth was less than \$50,000, and that included his sizeable

collection of fishing lures. His modest pension ended at age 70. So when my folks finally retired, the children formed a corporation called Andrus, Jones, and Stoy to help buy my parents a little two-bedroom home on Beaver Lake near Eureka Springs, AR. We each paid \$75 a month in order to meet the mortgage.

About five years into this arrangement my Dad got word one day that a great aunt of his in Chicago had died. She had no children, and because my mom and dad had been so kind to her, she left them half of her estate. Dad not only repaid all of us kids but was able to pay off the mortgage on their home. For the past 20 years they have lived comfortably, though not luxuriously, on the proceeds of that estate. That, friends, is Matthew 6:33 in action: "Seek first his kingdom and his righteousness, and all these things will be given to you as well."

Several things stand out to me about my Dad. First, I never once in my 60+ years heard him raise his voice at my mother. If he was ever upset with her, he did not show it in front of us kids. Furthermore, I have never known anyone who followed the Scripture more faithfully in regard to the command, "let your speech be seasoned with salt. . . ." Not once in my life have I heard my father use the Lord's name in vain or use any kind of a swear word. He wouldn't even utter Christianized slang like "gosh," "gee whiz," "jimony Christmas," "heck," or "darn." I never heard him tell anyone off. He was a model of godly character and meekness.

My dad had an incredible spirit of forgiveness. I was teaching at Calvary Bible College when the Board of the College released him. He was 59 and recovering from a heart attack and bypass surgery at the time. Calvary had been Dad's life for nearly three decades, and the loss of that ministry was extremely hard for him, but I never heard him express any bitterness toward anyone. He always followed Jesus' example in that "he kept entrusting himself to Him who judges rightly."

After recovering his health Dad worked for two ye
