“ *Eunice Ann, So sorry to read of your loss. I too lost a spouse and know what an emptiness there is. You can be so thankful that you had a wonderful marriage for a long time - more than a lot of folks can say. You two made an awesome couple as I remember back to those fun years at SS High. You will continue in my thoughts and prayers and may God be with you -- just stay busy, busy, busy.*

“ *My thoughts and prayers are with all of you. I am so proud to have an uncle like Uncle Duane! He was always happy, smiling and sharing great stories. I remember when I was a tiny little guy he let me steer his early 60's Chevy Impala! It was awesome! I've been addicted to things with wheels ever since! What a great guy! Duane was loved by all that knew him and he will be missed greatly.*

“ *Eunice Ann and all the family. Mutual friend Don Dorsey had been keeping us informed about Duane after his recent accident. We are so sorry for the loss of him--he was always a friendly face for us. I remembered him fondly when he was in high school, worked with him once at Pet Milk and always enjoyed a visit with him. His greeting smile was one to be envied. He will be missed in that NW Arkansas area. We wish for you the best in the future.*

“ *Eunice Ann*

*Losing a spouse is one of the most tramatic events one can experience. I remember you and Duane when Tom Brooks and I lived in Siloam Springs, AR prior to moving to North Carolina. Having lost a spouse myself, I can only advise you to seek grief counseling and go forward, one day at a time. I will be keeping you in my prayers along with other family members. I would love to hear from you someday when you life settles down a bit and you want to chat. Don't forget to take care of yourself now.*
