“ Jeff Wendy and Family
Your mother and grandmother will always be special to me, a great friend, a lady that could out work any man at school, very persistent, never abused break time, a wonderful cook, the first one to rescue a sick child, a good morning smile, a hug when needed and call me if you need anything, I miss and love you Dwayla.

I express my deepest sympathies to all the family. Dwayla was a good friend when we were growing together at church and we were classmates at school. Always enjoyed going home with her after church on Sundays. I was impressed with her abilities I f hook the cows up for milking time before we headed back to church that evening. Didn't get to be around her in our adult years, but always remembered. Glad i got to see her on fb a few timed and pictures with her grsndchildren. Again, so sad to know she has gone on before us. Hope to see her again someday. May God and great memories give each of you much comfort. Louise (Ward) Jennings
