“ Bessie I just wanted to take a second and tell you how sorry I was to hear about Earl. I know he had been really sick for a long time and it is so hard to know what to say or do in a time like this. I really appreciated the both of you for friends for myself and Frank. Frank just really enjoyed visiting with Earl. If I can be of any help at all in any way please feel free to call me and just let me know how. Take care of yourself and God Bless you and your family at this time. Tell Glenda I said hi and that I am thinking of her too.

*I love you.*
