“ Bill and I were saddened to hear of Edgar's passing. Know this is a very difficult for his family. Edgar was a lifetime friend having known he and his family since childhood. Also he is a graduate of Colcord High in my class of 1962. He attended our last class reunion in 2022 and it was a joy to see him and catch up on his life's happenings. Prayer that God's caring, comforting presence will hold you close during this time.

“ The last time Edgar and I saw each other, Edgar said that we have both lived interesting and great lives. Our Colcord school days of growth and maturity, College adventures, Military experiences, professional challenges, world travels and and raising our families added up to lives well lived. Wow! What a ride!
