“ *Edna always had a kind word for every one. She never said anything bad about anyone. She was always so kind and sweet. I remember going to her house just outside of Gentry and how she took me all around and showed me all the quilts she had made! I was so impressed! I loved them and will never forget that time. I remember the butter (real butter) that she made and we would go out to her and Paul's to buy it. I remember running into her at church or the ceramic shop and how she would pat my hand or shoulder and ask how we were doing and to come and see her sometime. I love remembering her in those overalls and that old brown pick-up truck. She was one SWEET lady and we will all miss her very much.*

“ Aunt Edna was a great lady. She was so sweet. My husband met her at church in Gentry and what an impression she made on him. He always asked "How's Aunt Edna?" My prayers are with Elaine, Vickie and the entire family. I haven't seen Elaine or Vickie since I was about 5 years old. I am Juanita Hopper's Grand-Daughter & Carol's Daughter. Edna will be truly missed and in our thoughts & prayers.
